@sylvesterschool

Nursery: A huge 'CONGRATULATIONS' to all of our Nursery Stars for an amazing Nativity performance! We are all extremely proud of you! It has been another busy week of festive fun & learning in class. We read the book 'Dear Santa' and talked about the shapes of different presents and tried to guess what might be inside. Then we played a game using real presents which was great fun! The children used some good describing words too: soft, squishy, hard, heavy, round and square! We have also been drawing pictures of ourselves and have been developing our funky fingers by cutting out toy pictures to glue onto a stocking template. In Maths we have been looking at patterns and trying hard to complete repeated pattern puzzles on the smart board.

Reception: Our Reception children were amazing during the Nativity performance. We were all very proud of the confidence and the enthusiasm the children demonstrated. We have been busy writing letters to Santa and have also been ordering stockings using numbers.

Why don't you try this at home? (Magic Moment)

Magic Moments are your way of sharing something magical your child does at home. This allows the teachers to evidence children's achievements at home as well as in school, showing that we are working together to support your child. You can use the ideas below or perhaps you have spotted them doing something different that you would like to share with us. Please write down your child's 'Magic Moment' and return it to school. Thank You.

Nursery: Have a 2d shape hunt whilst at home or out and about. What shapes can you find? How many circles, squares etc. can you see?

Reception: Talk about Christmas traditions you may have in your family. For example it might be going on a Christmas day walk or wearing new pyjamas on Christmas Eve.

A few little reminders:

Snack Money: £1 each week

Reception Parents: Reading books and diaries are needed on a Monday please.

RECEPTION ADMISSIONS 2019: Admission booklets are available from the office. The closing date for applications is January 15th 2019

Book Recommendations:

Nursery: Dear Santa by Rod Campbell

Reception: Santa is Coming to Liverpool by Steve Smallman

Future Events and Notes for your diary.
