

Sylvester Primary Academy

Parents/Carers Conduct agreement during the Covid 19 Global Pandemic

Parents and carers must adhere to the following rules put in place to keep all adults and children as safe as possible and limit the potential for spreading Covid 19.

1. Clothing- please ensure that children wear comfortable clean clothes daily, following the usual non uniform day advice, e.g. sensible footwear- no open toes, no crop tops etc.
2. Please ensure your child has a named water bottle with them each day.
3. Children's temperature will be taken each day before entering school. If you child has a high temperature, you will be asked to take your child home.
4. Following Government and medical advice, your child will be expected to adhere to social distancing at school and wash their hands frequently, using soap and water to reduce the chances of transmission of the virus. We expect your support and understanding for this.
5. Drop off and collect your child at the specified time (see letter posted on school website). If you have children attending from different year groups, please use the earlier start time and earlier finish time for both children.
6. Please park on Manor Farm Road, the car park is for staff use only.
7. When dropping off and collecting children, please remain outside of the school gates on Manor Farm Road. Pupils will be required to line up 2 meters apart and wait for staff to come to collect them. All children will be required to use hand sanitiser before entering school.
8. One adult only to accompany the child who is attending school (If at all possible, younger or older siblings are to remain at home.)
9. If any member of the household is displaying symptoms of Covid 19, the child is not permitted onto the site and the school must be kept informed of test results, prior to them being allowed back.
10. If a child starts to develop symptoms whilst at school, they must be collected within an hour of notification being received. Children over the age of 5 should then be tested for Covid 19 along with all other members of the household.
11. In the instance of a positive result for Covid 19, you will agree to the tracking and tracing of this information to minimise risk to others.
12. Results from the test are to be shared with school, whether positive or negative. Until the results have been shared, the child must isolate at home with all members of their household.
13. Parents are to adhere to the social distancing rules laid down by the Government at all times- keep a distance of 2 metres from others not in your household.
14. Staying longer than absolutely necessary; collecting and chatting in groups, will not be tolerated.
15. Please remember to treat all members of staff and other parents and children respectfully and leave as soon as you have dropped off or collected your child.
16. On arrival back at home, wash hands with soap and water and wash the clothes the child has been wearing all day.
17. Your support as we work our way together through this is appreciated as is your co-operation and understanding at this difficult time.
18. Please sign, agree and adhere to this conduct agreement during the Covid 19 Global Pandemic

Conduct agreement during the Covid 19 Global Pandemic

I _____ (please print) agree to follow all of the procedures put in place to protect my child, myself, members of my household and staff at Sylvester Primary Academy
