**Dear parents & carers,**  
**I can't believe that it's almost December already and we are beginning to think about all of our Christmas activities in school. We have received updated Public Health Guidance on visitors in school and as a result of this, we have made a decision that we will not be inviting parents into school for our Christmas performances, due to the complex risk assessments that would need to be put in place. We will be recording all performances and making them available on our social media channels for you to view. We will send you details of how this can be accessed nearer to the time. This is a decision that we haven't made lightly and I thank you all for your understanding in this matter.**

**Ms Harrison  
 Principal**

**Please inform us if your child is unwell and can't attend school on their first day of absence. It is really important that you *contact the school office* and that you provide a reason for their absence.**

**Children in Need**

Thank you for all of your support for Children in Need last week. The children looked fantastic and we raised £182 for Children In Need.

Thank you to everyone and Well Done!

Thank you so much for bearing with us this week, when our heating and power went down. We are pleased to say that the situation has now been rectified and all children are back in school.
