SYLVESTER NEWS

Dear parents & carers,
It's the end of another half-term already and it's been really busy with lots going on in school.

After half-term, we will be continuing with our staggered start and finish times to the day and all of our Covid safety measures will remain in place.

Hope that the weather improves and that you all have a lovely half-term. See you back in school on 7th June,

Ms Harrison
Principal

Sex and Relationships

Education Consultation for Parents of Pupils in Key Stages 1 and 2

From September 2021, all primary schools are required to have a sex education programme in place, tailored to the age and the physical and emotional maturity of the pupils.

From 21st May 2021 until 4th June 2021, we are having a consultation period regarding this and would appreciate your views on our draft policy for Relationships and Sex Education (RSE).

To access the draft policy (as well as opt out forms) please access our school website, Class dojo or Social Media accounts.

To take part in the consultation questionnaire please access the following link – <https://forms.office.com/r/X6zvC8nnU0>

Your views are very important to us and we will respond to you on the outcome of this process later this term. Once we have considered all the feedback, the finalised Relationships and Sex Education Policy will be uploaded to the school's website which will also set out the proposed curriculum.

Thank you for your continued support

Please inform us if your child is unwell and can't attend school on their first day of absence. It is really important that you provide a reason for their absence at this time. Even if you let a member of staff know that your child will be absent via Class Dojo, you still need to inform the school office.

You can call us on :

Virtual Children's University Graduations

This year, 70 of our Key Stage 2 pupils will graduate from the Children's University. Unfortunately, because of the current restrictions in place, the children will be unable to graduate from Hope University, so instead we will be holding a virtual graduation ceremony in school on Thursday 10th June at 1.30pm.

Enrich Education will set up a virtual ceremony through Zoom. Family/guests can access via a link, with no registration required. Full instructions will be provided for all guests in the first week back in school. We will record the ceremony and guests who are unable to attend virtually will have the opportunity to view this recording, if they request to.

Every graduating student will receive free Children's University graduation gifts and a graduation certificate. If your child is graduating from Children's University this year, you will receive a message via Class Dojo.
