Thanks to all of the parents who have sent their children into school this week prepared for the hot weather, with sun cream and hats. I know this weather probably won't last for much longer, but if it does please make sure that your children are prepared as they will still be playing out.

Thank you

Ms Harrison

Congratulations to the 50 children who graduated from Children's University at Hope University on Monday 16th June. We had a lovely afternoon and were very proud of all of our graduates.

Well done!

### Book Fair in School

We will be holding a book fair after school from Tuesday 7th July to Friday 10th July from 3:15—4pm. Please call along with your children. Any proceeds raised from this will be used to buy books for all of our classes.

### Sports Days

This year we will be holding our Sports Days on Tuesday 1st July. If it rains on that day, we will rearrange for 2nd July, weather permitting.

Parents and carers are invited to Sports Days, so please put this date in your diaries.

### Transition sessions

We will be holding transition afternoons in school on 7th and 14 July. This will be an opportunity for children to visit their new classrooms and get to know their new teachers before September. We will be sending transition booklets home with the children with all of the information that they will need to know about their new classes for next year.
