@sylvesterschool

We have had another fun packed Christmas week in school. The children loved being dressed up for our Christmas play and were superstars filming it in one take! Mr Malthouse is currently working his magic to create a Sylvester Christmas video featuring all the classes and this should be with you next week. In class we have been making Christmas cards and calendars and we will send everything home together towards the end of next week.

There are some different activities happening next week in school (Movie Day and Party Day) so please keep an eye on Class Dojo which has all the information on it.

Why don't you try this at home? (Magic Moment)

Magic Moments are your way of sharing something magical your child does at home. This allows the teachers to evidence children's achievements at home as well as in school, showing that we are working together to support your child. You can use the ideas below or perhaps you have spotted them doing something different that you would like to share with us. Please use Class Dojo to share your child's Magic Moment with us.

Nursery: Have a go at recognising your name. The children have been looking carefully at their name

written down and having a go at tracing or copying some of the letters. We teach them to have a capital letter for the start of their name and the rest of the letters in lowercase.

Reception: Start to think about coins. Next week we will be looking at money and the different values of coins we have. If your child has a money box spend some time looking at the coins in it, what colour are they, what shape and size?

Reception children please access Reading Eggs (Fast Phonics). Five minutes a day would be the equivalent of 35 minutes of reading a week. If you have any issues accessing it please message us for help or login information.

Reminders:

If your Nursery child is due to start full time school in September 2021 then please make sure you have filled in an online Knowsley Council application form. Children are not automatically given a place, an application must be filled in and the deadline is approaching in January. If you need any help with this please contact the school office.

We finish early on Friday 18th December at 12.45pm for Reception children. There will be no afternoon nursery that day but children can attend the morning session.

Final day for Christmas cards is on Monday 14th December.
