

SYLVESTER PRIMARY ACADEMY EYFS NEWSLETTER

9th July 2021

www.sylvesterprimaryschool.co.uk

@sylvesterschool

It is hard to believe that we are approaching our final week of this academic school year. We have had a lovely week and gone with the football theme, the children have loved making their own England flags, learning some football songs and having our party day today. If the children are watching the football on Sunday or dressing up for the occasion then please send us some pictures on Class Dojo and we will share them with their friends in class next week.

Next week we have some nice activities planned towards the end of the week and will have a class party and some party games. Don't forget home times are different on the last day of term and we finish early so please look at the post on Class Dojo for the times your child finishes.

Finally, on behalf of all the EYFS staff we would like to thank you for your ongoing support and commitment during what has been another unusual year for us.

Why don't you try this at home? (Magic Moment)

Magic Moments are your way of sharing something magical your child does at home. This allows the teachers to evidence children's achievements at home as well as in school, showing that we are working together to support your child. You can use the ideas below or perhaps you have spotted them doing something different that you would like to share with us. Please use Class Dojo to share your child's Magic Moment with us.

Reminders:

If you have any lost property items please check with the staff before the end of next week as we still have lots of unclaimed items.

If you have not brought your child's reading book back into school yet please do so as soon as possible.

Have a lovely weekend everyone!
