

Autumn Term (Nov-Dec)

This half term, our learning will be based around the book *Elmer* by David McKee. As we take part in Anti-Bullying Week, Elmer will help us celebrate our differences and remind us that being unique is something to be proud of. We will also be learning about kindness — why it's important and how we can show kindness to others every day.

We will also spend time learning about Remembrance Day. The children will talk about this special day and learn about the significance of poppies and how we remember those who have served.

As we move from Autumn into Winter, we'll be exploring the seasonal changes that happen during this time of year.

In November, we will enjoy Nursery Rhyme Week! The children will learn lots of new songs and rhymes and take part in a variety of fun and creative learning activities linked to different nursery rhymes.

Finally, in December, we will learn about Christmas and discover why it is such a special time of year for Christians around the world.
