

Week Beginning: 12.7.21	LITERACY/COMMUNICATION & LANGUAGE	MATHEMATICS	CREATIVE, PHYSICAL, PSED, UNDERSTANDING OF THE WORLD
<p>MONDAY</p>	<p>This week we will be learning the 'J' sound</p> <p><u>Read Write Inc. - j - YouTube</u></p> 	<p><u>Shapes Song 2 - YouTube</u></p> <p>Listen to the 2d shape song and go on a shape hunt around your house. What shapes can you find?</p> 	<p>Use one large cup of washing up liquid and pour in 2 large jugs of water. Mix in a bowl and have some fun with bubbles!</p> <p>Bubble blower ideas: colanders, bend wire coat hangers into shapes, slotted spoons, sieves etc</p>  <p>Can you make big/small bubbles? How did you do that? What makes the best bubble blower?</p>

TUESDAY

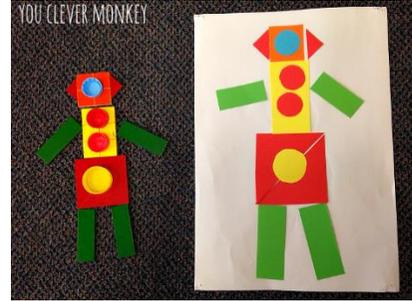

Watch Geraldine giraffe learn about the letter 'j'.

Geraldine the Giraffe learns the /j/ sound - YouTube

How many times can you 'jump' in 1 minute? Get a grown up to time you. Can you 'jog' around the room/your garden for 1minute?

Can you make a 2d shape picture? What different shapes did you use?

Can you make shadow pictures? You can use any objects for this activity? Talk about how shadows are made? Why do we need a sunny day?

WEDNESDAY

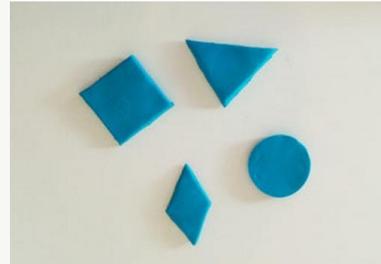

Play this phonics game:

[Flash Cards \(Phase 2\) - Online Phonics Game \(phonicsbloom.com\)](https://www.phonicsbloom.com/)

(select set 1 sounds to start then build on this)

Using play dough make some of your own shapes.

You do not need shape cutters to do this activity. Watch the video for some ideas:

[2D Shapes for kids | Shapes activities for preschoolers | 2D shapes for kindergarteners - YouTube](#)

Make a Summer sun catcher to brighten up your window!

[20 Suncatcher Craft Ideas for Kids - Bring Sun to a Rainy Day \(b-inspiredmama.com\)](https://www.inspiredmama.com/)

THURSDAY

Enjoy some squiggling:

Paint on the floor outside using buckets of water

Do some large scale mark making on a roll of paper

Create your own chalk drawings on the pavement/patio

If you would like something a bit different try the Get Squiggling programme on CBeebies. There are lots of drawing ideas on here as well as letter writing practise too.

Enjoy some water play in a water tray, bowl or paddling pool. Look at filling and emptying containers looking at when containers are full, half full and empty.

You could use cups, jugs, bottles, bowls etc.

Maybe add bubbles or colour the water!

Cosmic kids yoga disco:

[Hi My Name's Joe | Cosmic Kids yoga disco - YouTube](#)

FRIDAY

Today it is BIG DRAW!

Can you draw yourself and your friends in nursery? What do you like to play? Who do you like to play with? Do you play indoors or outdoors? Send us your creations on Class Dojo. We would love to see them!

Challenge: Can you write your name on your drawing? Have a try at writing your friends name. Can you hear any letter sounds that you know in their name?

Building on from your water play yesterday have a look at how many cups of water it takes to fill a jug or how many bottles it takes to fill a large bowl. This is great activity for learning about capacity and you get to practice your counting skills too!

Can you give your dolls a bath?

OR

Create a your own car wash for dirty ride on toys, bikes or large toy cars and trucks!
