

## Nursery Class Remote Learning for the week beginning: 14/12/20

Whilst at home have a go at these activities. They relate to this week's class activities. Choose a couple to do each day.

| <u>Communication and Language</u>                                                                                                                                                       | <u>Personal, Social and Emotional Development</u>                                                                                                                                           | <u>Physical Development</u>                                                                                                                                                                                                                                                                                 | <u>Literacy</u>                                                            | <u>Mathematics</u>                                                                                                                           | <u>Understanding of the World</u>                                                                                                                         | <u>Expressive Arts &amp; Design</u>                                                                                                                                                                           |

| <p>Wrap up some house hold items/toys. Play a guess the present game. Encourage your child to talk about the shape of the present. Is it soft/hard? Noisy/quiet? Etc. Then have a guess and open!</p> | <p>Make some Christmas cards of your own and post them to friends, neighbours and family members. It will certainly make them smile and brighten their day.</p> | <p>Cut out pictures from catalogues/magazines and make your own visual Christmas list.</p>  | <p>Using a tray of flour - practice your mark making in a fun and sensory way. Can you draw lines, circles?</p>  | <p><a href="https://www.topmarks.co.uk/christmas/decorate-tree">https://www.topmarks.co.uk/christmas/decorate-tree</a></p>  | <p>Go on a winter walk and look for wintry changes to the environment (frost, cold, ice, no leaves on the trees etc.)</p> | <p>Collect some sticks and make stick man and his family.</p> |

## The importance of routine.

Children thrive on having structure to their day. If you feel you would like to do this, here is an example of a routine you could adapt whilst your child is at home. Please note, we are aware that your child attends Nursery for morning or afternoon sessions only. However whilst at home, activities can be spread out over the course of a day with lots of breaks and free time in between.

Morning Time: Communication and Language or Literacy activity

Child initiated activities

Snack time

Mathematics activity

Child initiated activities

Lunch

Afternoon Time: Physical activity

Child initiated activities

Creative or Understanding of the World activity

Singing time

Story time

It is important to keep active so try to do some physical activity each day. Here are a few examples:

Make an indoor/outdoor obstacle course.

Join in with some PE with Joe Wicks (You Tube)

Jack Hartman (You tube) has some fun and educational movement games and activities.

Cosmic Kids Yoga (You Tube)Go Noodle (You Tube)
