Encourage picking up pasta using your finger and thumb. (cereal hoops are also good for this type of activity).	Read a book together. Let your child hold the book and turn the pages. Encourage them to talk about what they can see in the illustrations and what might happen next in the story.	Use pennies to practice buying toy shop items. Label the toys from 1p – 5p and use the coins to count out the correct amount to buy each toy.	Winter time is here so look for and find out about the different signs of Winter. You could make daily observations in the garden exploring the ice and frost.	<a href="https://www.youtube.com/watch?v=uf0uKmKwnKs">https://www.youtube.com/watch?v=uf0uKmKwnKs</a>  Do the penguin dance with Jack Hartmann.
