

Week Beginning: 5.7.21	LITERACY/COMMUNICATION & LANGUAGE	MATHEMATICS	CREATIVE, PHYSICAL, PSED, UNDERSTANDING OF THE WORLD
<p><b>MONDAY</b></p>	<p>This week we will be learning the 'r' sound</p> <p><u><a href="#">Read Write Inc. - r - YouTube</a></u></p>	<p>Have fun with number lines. Select number 1-10 or 1-20 depending on your child's ability and have fun colouring in and finding the different numbers.</p> <p>Ask your child questions such as:</p> <p>Can you colour number 6 blue?            Can you colour number 9 yellow?            Colour the number after 2 green?            Colour the number before 4 pink?</p> <p>Here is the link:  <u><a href="#">Paint the Squares - Interactive Number Charts (topmarks.co.uk)</a></u></p>	<p>Can you make a robot out of junk modelling materials? (phonics link)</p> 

## TUESDAY

Watch Geraldine giraffe learn about the letter 'r'.

Geraldine the Giraffe learns /r/ - YouTube

How many 'r' objects can you find around your house?

Number songs and rhymes:

School Radio - Counting songs, Numbers up to 10 (bbc.co.uk)

Play the 'Funny Running' Game!

This is a super fun PE game that young children will love. The objective of funny running is to get from one side of the gymnasium to the other while running like an animal. You can choose a different animal for each pass, including monkeys, snakes, horses, and kangaroos.

## WEDNESDAY

Play this phonics game:

[Flash Cards \(Phase 2\) - Online Phonics Game \(phonicsbloom.com\)](#)

(select set 1 sounds to start then build on this)

Set up a play shop and give each item a price. Get your child to pick an amount between 1p and 10p or 1p and 20p. Encourage them to write price labels/tags. Using pennies play a game of shop practicing counting out the correct amount needed.

Have fun making some tasty snacks.  
Can you help to chop soft veg/fruit?  
Can you help to spread the butter?  
What animal snacks can you make?

## THURSDAY

Enjoy some squiggling:

Paint on the floor outside using buckets of water

Do some large scale mark making on a roll of paper

Create your own chalk drawings on the pavement/patio

If you would like something a bit different try the Get Squiggling programme on CBeebies. There are lots of drawing ideas on here as well as letter writing practise too.

Play a game of catch. How many times can you throw and catch the ball without dropping it? Throw to a family member or against a wall.

Ask a grown up to time you. How many times can you catch the ball in 1 minute?

Make your own crafty lolly ices! You could even make some real ones by freezing juice

**FRIDAY**

Today it is **BIG DRAW** in class. Have some fun with your mark making. Can you paint/draw a Summer picture?

Maybe you could create a picture of yourself at the seaside, in the park, having a picnic?

Using lego, duplo or building blocks can you make your own set of Number blocks?

Can you do the football dance:

[Just Dance 2018 • Waka Waka \(Football Version\) - YouTube](#)
