Who are we?

Knowsley Parent Care Voice is an independent parent carer led group developed to support local families along their children/young adults, SEN/disability 0-25 journey.

We are working alongside disability service providers raising awareness of what additional services are needed and those that can be improved, along with the daily issues faced by Knowsley children/young people and their families.

We don't claim to be experts but we're passionate about children and young people in Knowsley.

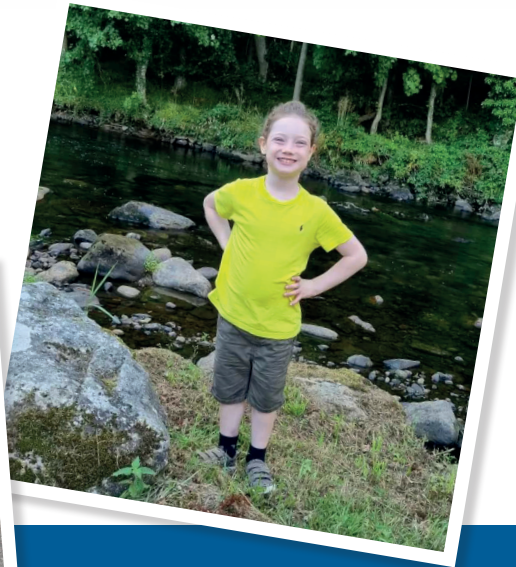

Let us work together and we will make a difference.

Our aims

Our aim is to be a voice for the parents and carers of Knowsley. The forum works in partnership to feed back what's working for families and what's not.

KPVC offer

Regular coffee mornings/evening events, guest speakers based on your feedback, Barnardo's events, family information fun days, Barnardo's drop ins, sign posting and SEND information.

Barnardo's SENDIASS

Welcome to Barnardo's SENDiass. We provide Special Educational Needs and Disabilities Information Advice and Support Services for children, young people aged 0-25 and their parents or carers where the child has, or may have, special educational needs or disability.

It is free, easy to access and confidential for those families in Knowsley. We can help children, parents and young people take part in decisions that affect their lives.
