

English

Julian Is a Mermaid

The children will enjoy listening to music to help them connect to the movement of a mermaid and other sea creatures. They will write their own three-verse poem.

Beegu

The children will investigate a surprise landing! They will sequence events of the story and then create their own narrative with a beginning, middle and ending.

Mathematics

Place Value within 50

- Groups of tens
- Partitioning tens and ones

Length and Height

- Compare lengths and heights
- Measure length using objects
- Measure length in cm

French

Colours

The children will learn colours, a rainbow song and weather phrases.

Physical Education

Athletics

The children will develop athletics skills for competing.

Send and Return

Science

Seasons We will explore the season of Spring and how it changes our environment and weather.

Everyday materials

The children will begin to understand that objects are made from a variety of materials. They will classify objects, and understand some objects are made from different materials e.g. a spoon. They will develop pattern spotting scientific skills.

Year 1

Summer 1

Computing

My Friend Robot

The children will understand what robots are, how they are different from humans, and how they are useful. They will design their own robots.

Music

The children will learn pulse, timbre, rhythm, texture and structure through 'Fairytale'.

Art and Design

The children will learn the 3 primary colours, and how to mix primary colours to make secondary colours

Geography

Sydney

The children will learn where and how to locate Sydney. They will identify some physical and human features, explore the climate and contrast it with a local area.

Religious Education and World Views

In Religious Education and World Views this half term, we will be learning about 'Special Places' identifying where our special places are for ourselves, and for those with religious beliefs.

PSHE

Economic wellbeing.

The children will learn about what money is, how to keep it safe, what banks are, and begin to understand spending and saving.

Reading and Phonics

Children will continue to have daily phonics lessons looking closely at sounds and how to read and write these in words and apply in sentence construction.
