

English

Jim and the beanstalk

Children then use their knowledge of the sequel to initially innovate and then create their own sequel to another well-known fairy-tale.

Vocabulary, grammar and punctuation

Capital letters and full stops.

Finger spaces.

Adjectives.

Using coordinating conjunctions

Year 1 and 2 spellings

Science

Seasons

We will explore the season of Autumn and how it changes our environment and weather. Children will continue their scientific enquiry on changes in a radish seed that they planted earlier this year.

Classifying Animals

The children will learn the names for animals and begin to sort them into groups based on their common features. Children will also be able to identify key parts found on animals.

Year 1/2

Autumn 2

History

Significant Events

The children will learn all about Guy Fawkes and his connection to bonfire night. The children will learn what chronology means and explore Remembrance Day.

Religious Education and World Views

In Religious Education and World View we will be looking at Christmas and Diwali. We will learn why it is celebrated, how it is celebrated and why festivals are important to some people. We will then look at Christmas and why it is important to Christians.

Computing

Children will be taught the different ways of being online and learn how to be safe while on them.

PSHE

Health and wellbeing

Children will learn about the adults in school and outside of school that they can come to in need of help. We will discuss getting lost and emergency phone calls.

Design Technology

The children will learn how to make a windmill, they will design and assemble to structure and test and evaluate their creations.

French

Children will learn their numbers from 0 - 10 in French and play French games.

All of our French lessons are verbal and practical with lots of games.

Music

Our music lessons this term will focus on our Nativity performance at the end of term.

Reading and Phonics

Children will have daily phonics lessons looking closely at sounds and how to read and write these in words. Children will have three opportunities to read with an adult a week, two guided reads and one individual read. This will help to develop fluency

Physical Education

During this term the children will be learning about gymnastics. This will help to develop balance; agility and they will learn more movements.
