

English

Whilst exploring our Key Literacy Texts we will be focusing on writing opportunities that allow us to use our phonic knowledge to segment and write words and simple sentences. We will be focusing on using capital letters and full stops.

Maths

This half term we will be focusing on Place Value (within 20) and will then move onto Addition and Subtraction (within 20).

The children will be using lots of concrete (practical) resources to practise their counting skills. We will be looking at how numbers are represented in different ways for example looking at them on ten frames or recognising the total is made up of two parts.

Science

Our science topic this term is living things and their habitats. During this topic we will be finding answers to the following questions:

What is alive and what is not?
What do all living things have in common?

Where do plants and animals live?

What plants and animals live in our local environment?

What are food chains? How are they connected?

Why do plants and animals need each other?

Year 1/2
2026/2027

Autumn 1

History

In History this term we will be exploring events that are beyond living memory. We will be researching 'The Great Fire of London'. During this topic we will be able to answer the following questions:

Where is London? When was the Great Fire of London? How did the fire start? Why did the fire spread so quickly?

Music

In Music we will be listening to Music from West Africa, call and response songs.

PSHE

In PSHE we will find out about Healthy Relationships and what this looks like for our family and friends.

RE

In Religious Education we will be exploring what it means to belong and specifically looking at Family and Friends.

Computing

In computing we will be exploring online safety by thinking about 'Our Life Online'.

Geography

In Geography we will be comparing our local area with locations outside of Europe.

*What are human features?
What are physical features?
What features does our local area have?*

PE

In PE we will be playing games that work on developing our attacking and defending skills.

Design Technology/Art

In Art we will be exploring tone and texture whilst drawing.

In DT we will be exploring structures. We will experiment with different ways to join materials to make a chair for Baby Bear.
